**KENMURE SECURITY COMMITTEE (an Operating Committee of)  
KENMURE PROPERTY OWNERS ASSOCIATION**

---

This form outlines the rules and procedures for contractor use of Argyle Lane entrance, located off of Pinnacle Mountain Road. The use of Argyle Lane shall be limited to vehicles with dual axles that are going to construction sites west of Pinnacle Mountain Road in the sections of Kenmure known as Phases IV, V, and VI. (Also known as the section of Kenmure beyond the tunnel/overpass)

1. Contractors, their subcontractors and trucks delivering supplies, concrete, materials, etc. to Phases IV, V and VI will use Argyle Lane gate when they are driving vehicles with dual axles. Smaller construction vehicles and work crews in cars or pickups, etc. will NOT use Argyle Lane; these vehicles will continue to use the main gate located on Kenmure Drive.
2. Ingress from the Pinnacle Mountain Road/Argyle Lane gate entrance will be granted via communication with the main gate guards. All entrants must provide proper identification including name, address, phone numbers, business name and destination address or lot number.
3. This form will become part of the document package issued/signed at a site meeting with KARC, KRMC, the general contractor and owner for the issuance of the Kenmure Building Permit.
4. The KARC member in charge of new house construction shall be responsible for distributing a signed copy of this form prior to the start of lot clearing, to:
  - Main Gate Security Office
  - General Contractor
  - Homeowner
  - KRMC
  - KARC Home Construction File- attach to building permit
