

Kenmure Property Owners Notice

IMPORTANT NOTICE

(as of 9/27/18)

The following landscape and tree contractors* have reviewed and signed an acknowledgement of Kenmure's rules and regulations surrounding tree cutting and shrub removal thereby making a commitment to follow our rules and regulations to maintain the beauty and value of Kenmure for all of us to enjoy.

Property owners should note that effective October 9, 2017, any tree and landscape contractor failing to sign an acknowledgement will be refused gate entry. If you do not find your contractor listed below, please encourage them to contact the KPOA office or the guard gate to understand how they may provide service to our community.

Property owners are required to obtain written approval from KARC prior to any work and use only those tree and landscape contractors listed below. Please note too that property owners are cautioned not to rely upon any contractor guidance as to KPOA rules. Instead, please consult Kenmure's website or a KARC representative who can provide rules guidance.

Please note that Kenmure does not endorse the quality of work performed by these or any contractor serving the needs of our property owners.
