

# Kenmure Architectural Review Committee

an Operating Committee of Kenmure Property Owners Association

Alteration Request to Existing House/Condo for

## Re-shingle Roof

Name \_\_\_\_\_ Address \_\_\_\_\_

Phone \_\_\_\_\_

Email \_\_\_\_\_

We request KARC approval for alteration to:  Existing house  Condo or Cottage

Name of Condo Association, if applicable \_\_\_\_\_

Shingle Detail (Allows KARC to view color and style online)

Manufacturer \_\_\_\_\_

Shingle type  Asphalt  Other (describe) \_\_\_\_\_

Manufacturer's name for specific shingle \_\_\_\_\_

Style  Architectural  Designer  3-Tab

Manufacturer's color name \_\_\_\_\_ Do you have sample?  Yes  No

Your description of color \_\_\_\_\_

Is this request an exact match to your current shingle?  Yes  No

**Note:** Roof shingles commonly found in Kenmure typically have a variety of color granules on their surface, with overall coloration in tones of dark brown, medium-to-dark gray, and near-black. Roofing colors **not** approved by KARC (because of inconsistency with KPOA policy on harmony with forest setting) include red, orange, gold, yellow, blue, and white.
